Toronto, October 24, 1967, on file in the records of the

The Committee of the Privy Council have had before them a report from the Minister of Veterans Affairs, representing:

That subsection (1) of section 24 of the Veterans' Land Regulations provides that the Director may not approve financial assistance on behalf of the veteran entitled as a small holder of an area of land containing less than one half of one acre, but at the discretion of the Director this area may be reduced by 50%;

That qualified veteran Douglas Ponton Dunlop requests that the Director provide financial assistance under Part I and III of the Act to acquire a parcel of land located in the City of Toronto containing an area of approximately 3,453 square feet;

That settlement on such reduced area is requested due to the fact that the veteran's youngest son, four years of age, is deaf and being treated through the auspices of the Toronto School for the Deaf, as a result of which it is required that he live in close proximity thereto; and

That since no parcels of land containing a minimum of one half of one acre in area are available within reasonable distance of the Toronto School for the Deaf and since medical opinion is to the effect that some other locale would not be in the best interest of the boy, it is deemed advisable to provide financial assistance for the establishment of qualified veteran Douglas Ponton Dunlop on a parcel of land containing less than one half of one acre in area.

The Committee, therefore, on the recommendation of the Minister of Veterans Affairs, advise that Your Excellency may be pleased to approve the establishment of qualified veteran Douglas Ponton Dunlop on a parcel of land located in the City of Toronto, Province of Ontario, containing an area of approximately 3,453 square feet which is less than the prescribed minimum of one half of one acre.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of Transport reports as follows:

That section 335 of the Railway Act, as amended by the National Transportation Act, provides that certain reduced railway carload rates between points in Canada, one of which is in the "Select Territory" as defined in the Maritime Freight Rates Act, shall be continued in effect, notwithstanding anything in the Railway Act or any other Act, for a period of two years from March 23, 1967, being the date that the said amended section came into force;

That by section 9 of the Atlantic Region Freight Assistance Act, chapter 52 of the Statutes of 1968-69, it is provided that the said reduced railway carload rates shall expire three years after the coming into force of the said amended section 335 and being on March 23, 1970, or on such earlier date as may be fixed by Proclamation;

That by Order in Council P.C. 1969-1644 of 20th August, 1969 a Proclamation did issue fixing September 23, 1969 as the date on which the said reduced railway carload rates shall expire;

.. 2 ..

That subsections (2) and (3) of section 9 of the Atlantic Region Freight Assistance Act read as follows:

"9.(2) The Minister may, subject to such conditions as the Governor in Council may prescribe, authorize the payment out of the Consolidated Revenue Fund to a railway company of an amount that in the opinion of the Minister is equal to the diminution in the gross revenue of that company during the period commencing on the 23rd day of March, 1969, and ending on the day that subsections (1) to (3) of section 335 of the Railway Act expire, as a result of the continuation in force of section 335 of that Act by this section.

(3) The Minister may, subject to such conditions as the Governor in Council may prescribe, authorize advance payments to a railway company in respect of payments authorized under subsection (2) but the aggregate of advance payments to all railway companies shall not exceed five million dollars."

PRIVY COUNCIL

The Committee of the Privy Council have had
before them a report from the Minister of Veterans
Affairs representing:

That subsection (1) of section 23 of the Veterans'
Land Act prescribes that when property acquired by the
Director cannot or ought not be sold as to sale price or
otherwise pursuant to sections 10, 11 or 20 of the Act,
the Director may report the cost of such property and
recommend another sale price or other terms of sale for
the approval of the Governor in Council;

That The Director; The Veterans' Land Act is
the registered owner of Lots 234-2, 234-3, 234-4, 234-5,
234-6, 234-22 and 234-23 being part of Lot 234, Village
of St. Flore, County of St. Maurice, Province of Quebec.

That the said lots are part of a block of land
acquired by The Director, The Veterans' Land Act in 1958
for subdivision purposes, in respect of which a total of
23 lots were developed, 22 for veteran settlement and one
designated for road purposes;

That since 1963 there has been no demand by
qualified veterans for these lots, they were advertised
for sale by public tender in June 1966 and again in
July 1969 and prolonged negotiations have been carried
out with a view to their sale;

That on the latest posting for sale, two tenders were received, the better one being in the amount of \$3,000, cash, submitted by Gaston Savignac Limited of Shawinigan, Quebec;

That the cost to the Director of the said land is \$3,350;

That since there is no demand for building lots in the area and since it is impossible to obtain financing under the National Housing Act in respect of the subject property because it is not serviced by sewers and because the offer received is in line with current market value, it is deemed advisable to dispose of the said lots, notwithstanding such sale will involve a loss of \$350;

The Committee, therefore, on the recommendation of the Minister of Veterans Affairs, pursuant to subsection (1) of section 23 of the Veterans' Land Act, advise that Your Excellency may be pleased to approve the sale to Gaston Savignac Limited of the property described as Lots 234-2, 234-3, 234-4, 234-5, 234-6, 234-22 and 234-23 being part of Lot 234, Village of St. Flore, County of St. Maurice, Province of Quebec, for an amount of \$3,000 cash.

The Committee of the Privy Council have had
before them a report from the Minister of Veterans Affairs
representing:

That The Director, The Veterans' Land Act, owns
property comprising a house and one half acre of land located
at Guelph, in the Province of Ontario;

That the Director acquired the property at a cost
of \$14,300 and sold it in November 1963, to Clarence Joseph
Redwood, a qualified veteran;

That as a consequence of defaults committed by the
veteran, the Agreement for Sale between the veteran and the
Director was rescinded, with the consent of the Provincial
Advisory Board, on 21 August, 1969;

That the Director has received an offer of \$22,500
cash for the property;

That the property has not been advertised, but its
current value is estimated at \$22,500 and the veteran has
requested the Director to accept this offer; and

That the Director recommends such sale of the
property for approval.

The Committee, therefore, on the recommendation of
the Minister of Veterans Affairs, pursuant to section 23 of
the Veterans' Land Act, and notwithstanding the requirements
of section 43, the Veterans' Land Regulations, advise that
Your Excellency may be pleased to approve the sale of property
described as part of Lot 1, Concession 1, Division "E", in
the Township of Guelph, County of Wellington and Province of

PRIVY COUNCIL

The Committee of the Privy Council have had
before them a report from the Minister of Indian Affairs
and Northern Development and the Minister of National
Health and Welfare representing:

That by Order in Council P.C. 1965-1298 dated
July 14, 1965, as amended by P.C. 1968-598 dated March 28,
1968, approval was given to a written agreement entered
into between the Premier of Newfoundland and the Prime
Minister dated May 25, 1965, and June 2, 1965, relating
to financial assistance for provincial programs for Indians
and Eskimos in Labrador;

That the written agreement provides for:

- (a) An extension until April 1, 1969, of a
previous agreement, the terms and conditions
of which were spelled out in a letter from
the Secretary of State to the Newfoundland
Minister of Public Welfare dated April 12,
1954, and which provided that the Department
of National Health and Welfare would assume
full financial aid, and, to the extent required,
administrative responsibility for the transporting,
hospitalization and treatment of Northern Labrador
Indians and Eskimos requiring hospital treatment; and
- (b) Federal-provincial participation in the cost of
services (other than medical) provided by New-
foundland to Indians and Eskimos in Labrador
according to an annual budget recommended by a
federal-provincial committee of officials and
approved by each government - the agreement to
be renegotiated at five-year intervals commencing
April 1, 1970;

- 2 -

That at a meeting of the Federal-Provincial Committee of officials in June 1968 and again in February 1969 it was agreed that it would be desirable to have both parts of the agreement in-phase in future renegotiation and to extend the entire agreement for a further period of five years; and

That the Government of Newfoundland has approved this recommendation by Minute of Council dated June 18, 1969, (MC 456'69) as attached.

The Committee, therefore, on the recommendation of the Minister of Indian Affairs and Northern Development and the Minister of National Health and Welfare, advise that Your Excellency may be pleased to approve

- (a) the renewal until 1st of April, 1970, of the Health portion of the Federal-Provincial agreement relating to financial assistance for Indians and Eskimos in Labrador with terms and conditions redefined as in Appendix A hereto; and
- (b) the renewal of the entire agreement for a further period of five years with effect from 1st April, 1970.

Redefinition of the Conditions affecting and limiting
the Federal-Provincial Agreement on financial assistance
for Indians and Eskimos on the Labrador Coast

1. Since the period in the early 1950's when the original agreement was undertaken relative to Indians and Eskimos on the Labrador Coast, the Federal Government recognizes that action by the Newfoundland Government has enabled these Indians and Eskimos to receive certain health services under Hospital Insurance and Diagnostic Services Act and the Medical Care Act under the same terms and conditions as other residents of the Province.
2. In consequence the special agreement will be limited to financial assistance relating to health care for Indians and Eskimos on the Labrador Coast who lack the means to meet the costs of:
 - (a) Hospitalization of tubercular patients
 - (b) Dental care not provided under other federal-provincial arrangements;
 - (c) Medical social assistance required by tubercular patients who lack financial resources to provide for replacement of clothing while in hospital and on returning home;
 - (d) Public health education programs for communities on the Labrador Coast, including costs of transportation, materials and salaries, prorated on the basis of the percentage of the population of these communities that is represented by the total of Indians and Eskimos;
 - (e) Drugs, dressings and medical supplies required in connection with the foregoing purposes.

PRIVY COUNCIL

Certified to be a true copy of a Minute of a Meeting of the Committee
of the Privy Council, approved by His Excellency the Governor
General on the 29th October, 1969.

The Committee of the Privy Council have had
before them a report from the Minister of Veterans Affairs,
representing:

That The Director, The Veterans' Land Act, owns
property comprising approximately twenty-one acres of land,
a house and other improvements, located near Bowmanville in
the Province of Ontario;

That the Director acquired the property at a cost
of \$7,400 and sold it in August, 1956, to Frank Martin
Sissons, a qualified veteran;

That as a consequence of defaults committed by
the veteran, the agreement for sale between the veteran
and the Director was rescinded, with the consent of the
Provincial Advisory Board, on 14 January, 1969;

That the veteran now proposes to repurchase the
property for the amount of money which he would owe if the
agreement were still effective and has tendered payment of
\$5,346.59 to the Director;

That such payment equals the balance of the sale
price originally specified in the agreement, with interest
and all supplementary charges accruing to 28 August, 1969;

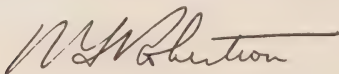

That the proposed sale will provide for the
veteran a grant of \$1,400 which he could have earned if his
agreement had not been rescinded and a credit composed of
interest on the grant amounting to \$636.46 at 28 August,
1969; and

That the Director requests authority for a further
sale of the property to the veteran at the said cash price
of \$5,346.59.

- 2 -

The Committee, therefore, on the recommendation of the Minister of Veterans Affairs, pursuant to section 23 of the Veterans' Land Act, advise that Your Excellency may be pleased to approve the sale of property described as part of Lot 6, Concession 3, in the Township of Darlington, County of Durham and Province of Ontario, to Frank Martin Sissons for \$5,346.59 cash, with a grant of \$1,400 and a rebate of interest charges on the grant amounting to \$636.46.
